Williams/staff photo-A TRACTOR-TRAILER owned by Clinch River Forest Products Inc. of Tazewell, Va., partially overturned this morning in the parking lot of Melody Square in downtown North Wilkesboro. The mishap caused the trailer's load of cut lumber to spill out into the parking lot, which was cleaned up by North Wilkesboro Fire Department members and others. Details of the accident, which involved a complete breakaway of the trailer's foreaxle, remain under investigation at press time today.
